Apt 32, 12 Ganjlik St, H.Z. Taghiyev Settlement, Sumgait.

ABOUT ME

I have a hearing impairment and use a hearing aid. Despite this, I am highly motivated to continuously develop my skills and gain new knowledge in the technology field. I work with **HTML**, **CSS**, **SCSS**, **JavaScript**, **TypeScript**, **React.js**, and **Figma**. My goal is to gain experience and grow professionally as a **Frontend Developer** and **Web Designer**.

PROFESSIONAL EXPERIENCE

Junior Front-End Developer - NS Studio

Feb 2026 – Apr 2026

Development of web interfaces with **HTML**, **CSS**, **SCSS**, and **JavaScript** based on **Figma** designs

Creating responsive designs

Optimizing and improving websites

Development of the front-end part of the **ikili2.com** e-commerce platform

PROJECTS

ikili2.com - E-commerce Platform

NS Studio | HTML, CSS, SCSS, JavaScript | Figma

- Built the front-end of an online store from Figma designs
- Responsive layouts across desktop and mobile screens

EDUCATION
